For now & ever after

'It was the perfect day'

YOUR WEDDING DAY WILL BE ONE OF YOUR MOST MEMORABLE OCCASIONS. IT MARKS THE START OF A WONDERFUL AND EXCITING TIME AS YOU BEGIN YOUR NEW LIFE TOGETHER.

YOUR HOME WILL BECOME A FOCUS IN YOUR MARRIED LIFE. IT IS WHERE YOU WILL ENTERTAIN FAMILY AND FRIENDS, SHARE HAPPY TIMES AND CELEBRATE LIFE'S MANY MILESTONES AND SPECIAL OCCASIONS.

AS YOU BUSILY PREPARE FOR YOUR BIG DAY, YOU WILL SOON START PLANNING YOUR WEDDING GIFT REGISTRY. IT PROVIDES YOU WITH THE BEST OPPORTUNITY TO SELECT LONG-LASTING, QUALITY ITEMS THAT REFLECT YOUR UNIQUE SENSE OF STYLE. AFTER ALL, YOU ARE CREATING FAR MORE THAN JUST A HOUSE; IT WILL BECOME YOUR HOME.

IT'S ALSO REASSURING TO KNOW THAT YOUR GUESTS WILL ENJOY BUYING YOU SOMETHING SPECIAL THAT YOU DESIRE, A TIMELESS GIFT THAT WILL INSPIRE YOU FOR YEARS TO COME.

The guide

JUST LIKE YOUR WEDDING DAY, YOUR HOME SHOULD REFLECT AN AMBIENCE AND STYLE THAT IS UNIQUELY YOURS. NO MATTER WHAT INTERIOR STYLE YOU DECIDE TO CREATE IN YOUR HOME, BE IT SHARP AND SOPHISTICATED, MODERN AND ECLECTIC, OR WARM AND HOMELY, WE HOPE TO PROVIDE YOU WITH INSPIRATION.

Putting together your wedding registry should be fun!

- Start the planning early so guests have plenty of time to select their gift, not only for the wedding, but for other pre-wedding occasions
- It's your list – choose whatever appeals to you, this is your opportunity to select timeless gifts, many of which will last forever
- Include gifts that cover a broad price range, from realistic and affordable to real treats, for special people who want to spoil you or for a group of people who are pooling their funds
- Keep your dining style in mind and remember both formal and everyday options should be covered
- There are no rules when it comes to dinnerware patterns, mix and match to create your own look with china, crystal & cutlery
- Remember accessories for the table and home. Frames, vases, serving dishes and centrepieces all make wonderful statements about your style

Why Crystal?

There was once a time when crystal stemware was locked away, strictly reserved only for very special occasions. Not anymore. Today, crystal is a must-have lifestyle accessory and has been designed to be used and most definitely enjoyed. The more often you handle your crystal, the more confident you will feel and should an accidental chip or breakage occur, Royal Doulton and Waterford Crystal is backed by our Assurance Program, a 2-year replacement warranty, giving you extra peace of mind. See page 27 for full details.

Why Bone China?

Beautiful bone china tableware is the ultimate in dining. It symbolises style and class and creates that special restaurant feel when entertaining at home. Wedgwood and Royal Doulton offer many stunning china patterns – both contemporary and classic styles – as five-piece place settings, which include a dinner and entrée plate, a side plate and teacup and saucer for one person. It's a good idea to list a minimum of 8-12 place settings on your registry to ensure you can cater for those special occasions. It also makes it more affordable for your guests who can share in the cost of your china collection rather than purchasing a complete dinner setting.

'Our guests are still talking about it!'
